Tanya was invited to Mahima’s Birthday party. She was excited to meet her friends there. Mahima’s mother arranged many food items like sprouts, French fries, burgers , upma, Idli and pizzas. After the cake was cut , Tanya helped Mahima in serving the food. While doing so she observed that most of her friends took French fries, pizzas and burgers. But Tanya avoided all such foods and opted for upma and idli.

- Name the healthy food items served in the party.
- What food items would you serve at your birthday party?
