**SECTION -A : READING (10 MARKS)**

**Q1. Read the following passage carefully and answer the questions that follow. (1 X 5)**

Nature is the greatest teacher for those who observe it closely. Every part of nature, from trees to rivers to animals, works in harmony and teaches us valuable lessons about patience and balance. Birds build their nests with great care, and trees stand tall without asking for anything in return. Seasons change regularly, reminding us that change is natural and necessary.

**(Para-1)**

Sadly, modern lifestyles often ignore the beauty and importance of nature. Pollution, cutting down trees and wasting natural resources are harming the environment. To protect nature, people must develop habits like planting trees, avoiding plastic, and keeping their surroundings clean.

**(Para-2)**

Nature brings peace to the mind and joy to the heart. Protecting it is not only our responsibility but also necessary for our survival.

**(Para-3)**

**Answer the following questions.**

- (i) List two things nature gives us.
- (ii) Write two ways people harm nature.
- (iii) Suggest one way to protect nature.
- (iv) Write down the synonym of the word 'Happiness' from the above passage. **(Para-3)**

The sun comes out to start the day  
children laugh and run to play.  
Flowers open, bright and wide,  
bees and butterflies dance outside.

At night the moon begins to glow,  
stars appear and softly show.  
The world is calm, the air is cool,  
dreams arrive as a gentle rule.

The morning comes with light so new,  
birds sing songs both fresh and true.  
The sky turns bright, the day feels sweet,  
life begins with joy to greet.
