Summer holidays are a wonderful time to bond with your child through fun, love, and meaningful activities. We encourage you to spend quality time with your child and support their learning in simple and enjoyable ways. like storytelling, art, games and joyful moments together.
Wishing you a safe and happy summer.

Let them creatively arrange these treasures in a way that sparks curiosity and helps them compare based on size (big or small, tall or short) and texture (soft or hard). Guide them to paste their delightful collection into a scrapbook, making it a fun and hands-on learning experience. Kindly submit the scrapbook when the school reopens.
6.	Celebration Time:	Enjoy small family moments, celebrations, and create happy memories together. A mother's love is beyond words- gentle, selfless and unconditional. Mother's Day is a wonderful movement strength and care our mouths shower on us every single day.

Let us work together to make this summer enjoyable and a great learning experience for our little ones.

Let's capture the joy of this celebration with love filled movements. Encourage your child to express their affection through art photos or a small note. Bring along a printout of these golden memories when school reopens.

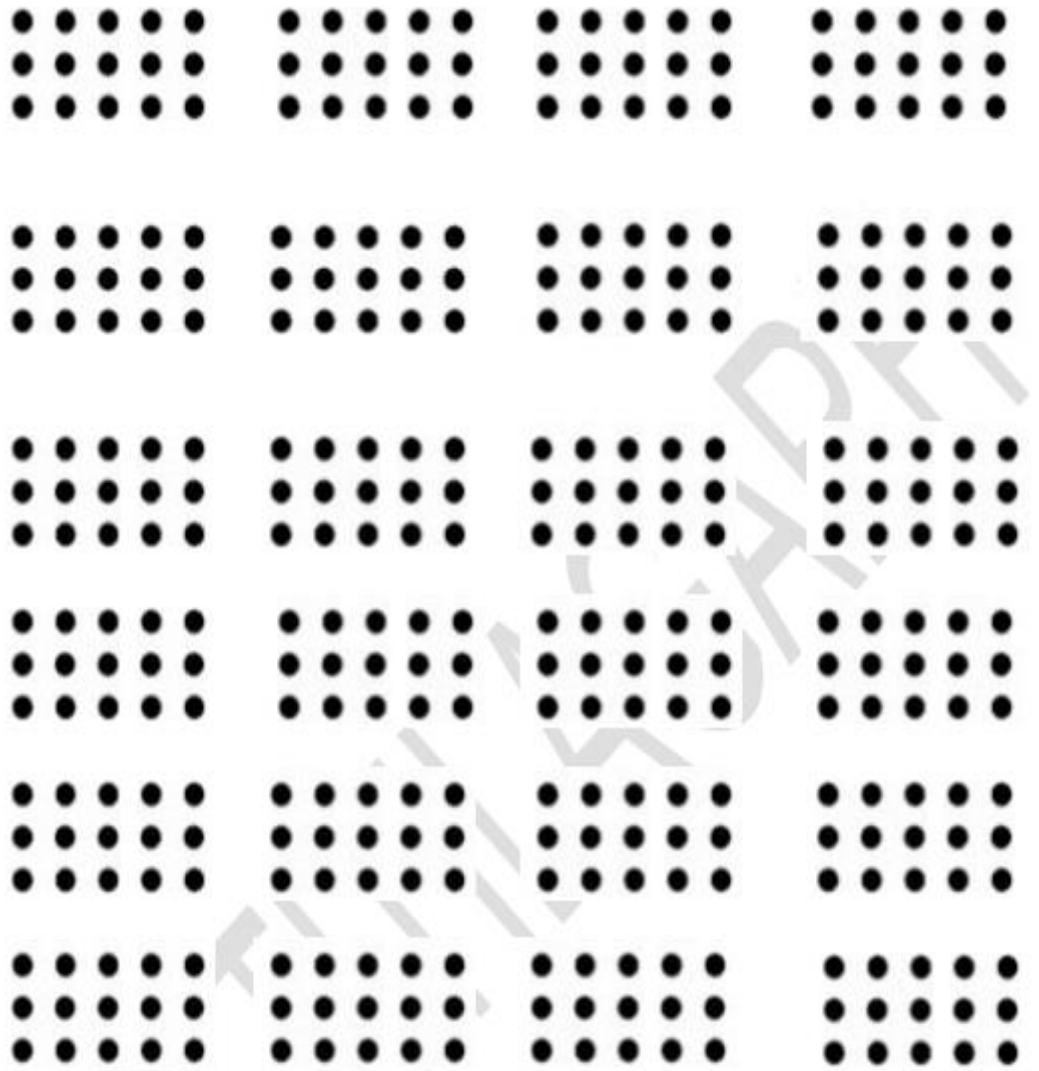

Thank you.
